

# Enterprise Background Screening Survey

## Agency Name and Contact Information

This survey is being distributed to the Inspector General (IG) of each Agency/Department. The IG or delegate is responsible for completing and submitting this survey as accurately as possible. In most instances, in order to complete this survey, the IG office must consult and rely upon other organizational units, management, applicable staff or systems such as People First to obtain the information to complete the survey.

\* Please ensure the entire survey is complete before clicking the "DONE" button at the end.

\*\* IMPORTANT: As you progress in soliciting the information to complete this survey, ensure you keep the scope of the enterprise project in mind. The scope of the Enterprise Background Screening Project and this supporting survey is limited to those background screenings where the payment of the screening is the responsibility of the State of Florida. This includes full-time equivalent (FTE) employees, part-time employees, other personal services (OPS) employees, contracted employees, sub-contracted employees, interns, students and volunteers.

### **\* 1. Please provide the name of your IG or delegate for the purposes of this survey, the Agency/Department name for which you work and the IG office's contact information:**

Contact Name:	<input type="text"/>
Agency/Department Name:	<input type="text"/>
Address:	<input type="text"/>
City:	<input type="text"/>
ZIP:	<input type="text"/>
Email Address:	<input type="text"/>
Phone Number:	<input type="text"/>

**IMPORTANT:** Question #'s in this document may differ from those in the actual survey. Questions are numbered sequentially within the survey based upon answer selections and answer logic. In some instances, if an answer of "Yes" or "No" is provided you will skip a set of questions. Refer to the "Survey Logic" column within the "Survey Answer Options" document for guidance.

## Position Classification and Screening Levels

These questions were designed to identify how positions are classified within your Agency/Department and what level of screening is applied to each position.

Section 110.1127, Florida Statute states "each agency shall designate those positions that, based on the position duties, require background screening. All persons and employees in such positions must undergo employment screening in accordance with chapter 435, using level 1 screening standards, as a condition of employment and continued employment. Each agency shall designate those positions that, because of the special trust or responsibility or sensitive location, require security background investigations. All persons and employees in such positions must undergo employment screening in accordance with chapter 435, using level 2 screening standards, including fingerprinting, as a condition of employment and continued employment."

Level 1 and Level 2 Background Checks are terms used in Florida Statutes to convey the method of the criminal history record check and the extent of the data searched. However, the terms may also refer to certain disqualifying offenses if certain statutes are referenced. Level 1 and Level 2 are terms that pertain only to Florida and are not used by the FBI or other states. They are defined in Chapter 435, Florida Statutes, but are used elsewhere in statute without definition and appear not to be associated with all provisions in Chapter 435.

Please use the definitions below for the purposes of completing this survey:

- Level 1 generally refers to a state only name based check and an employment history check.

# Enterprise Background Screening Survey

- Level 2 generally refers to a state and national fingerprint based check and consideration of disqualifying offenses, and applies to those employees designated by law as holding positions of responsibility or trust.

**\*2. Please refer to the statutory criteria provided above and enter the quantity of positions within your Agency/Department for each category below. Ensure all positions located statewide are accounted for within your response. Remember; only include positions for which state funds are used to pay for either Level 1 or Level 2 background screenings:**

Positions of "special trust" or "sensitive"

Positions that are not "special trust" or "sensitive"

Volunteer, Student and Intern positions of "special trust/sensitive" (non-state personnel)

Volunteer, Student and Intern positions that are not "special trust/sensitive" (non-state personnel)

**\*3. Please refer to the statutory criteria provided above and enter the quantity of all positions within your Agency/Department that require either a state funded Level 1 or Level 2 background screening before or upon hire:**

Level 1 Background Screening

Level 2 Background Screening

## Method for Capturing Fingerprints

The Florida Department of Law Enforcement (FDLE), based upon changes made by the Federal Bureau of Investigation (FBI), requires all fingerprints to be submitted electronically. Livescan is the type of equipment utilized to electronically capture and transmit fingerprints to the Florida Department of Law Enforcement. Agencies may operate their own Livescan equipment, utilize service providers or any combination thereof.

The purpose of this section of the survey is to ascertain the details of the Livescan environment utilized within your Agency/Department. Primarily, to help us identify private service providers and their associated fees for rolling fingerprints and transmitting fingerprints to FDLE.

# Enterprise Background Screening Survey

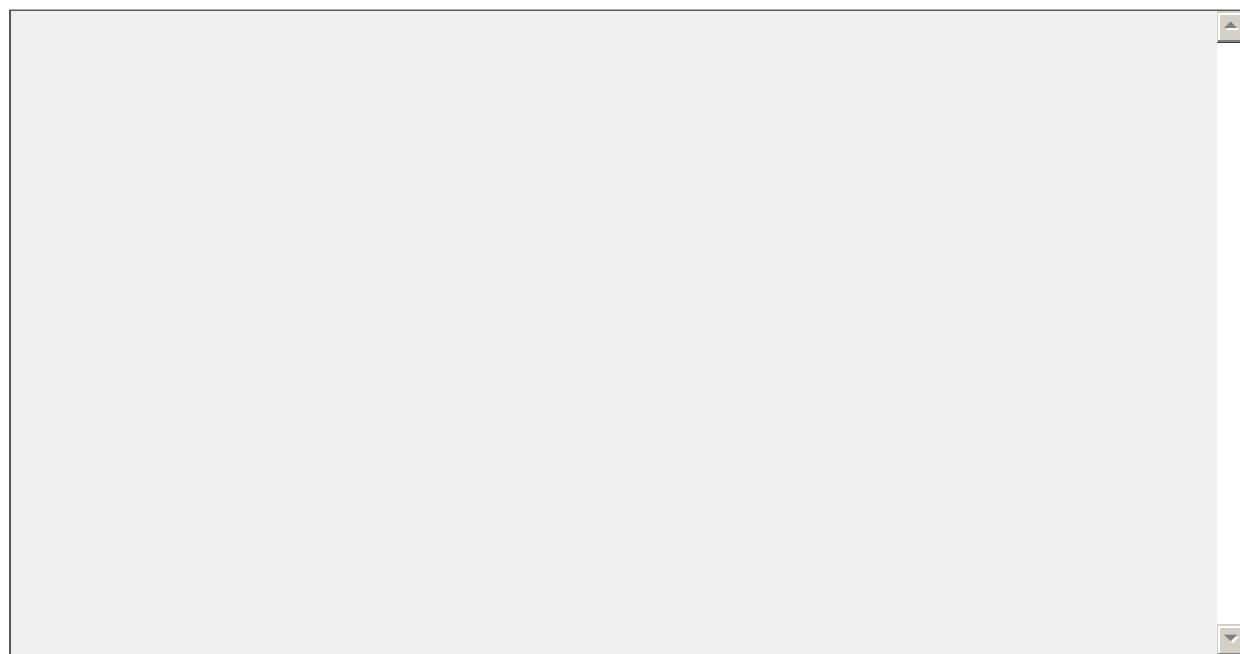

This flowchart illustrates the general Livescan background screening process for Level 2 background screenings:

It will also indicate what areas own Livescan equipment; utilize service providers or a combination of both.

Please work with the appropriate management and staff within your Agency/Department to accurately complete this

assessment.

\* We recognize not all State Agencies/Departments are organized by county. However, for consistency Florida counties were the best way to compartmentalize the data collected.

\*\* Complete the assessment row for each county which your Agency/Department has employees physically located.
