### **Public Comment Sought as DFS Inspector General's Office Seeks Reaccreditation**

TALLAHASSEE, Fla. – The Florida Department of Financial Services, Office of Inspector General (Office) invites public comment as the Office pursues reaccreditation. The Commission for Florida Law Enforcement Accreditation, the granting entity, will conduct a reassessment on November 13, 2024. The reassessment determines the Office's compliance on policies and procedures, management, operations and practices. To become reaccredited is recognition that the Office maintains standards of excellence that are confirmed by peer organizations. As part of the assessment, employees of the Department of Financial Services and the public are invited to offer comments to the assessment team by writing to:

Commission for Florida Law Enforcement Accreditation  
P.O. Box 1489  
Tallahassee, Florida 32302  
Email: [info@flaccreditation.org](mailto:info@flaccreditation.org)

After the reassessment team completes their review of the Office's Investigations Section, they report their findings to the full Commission for Florida Law Enforcement Accreditation, which will decide if the Office will be granted reaccredited status.

The Office must comply with all mandatory standards in order to receive reaccredited status. A copy of the accreditation standards is available through the Commission for Florida Law Enforcement Accreditation's website at [www.flaccreditation.org](http://www.flaccreditation.org). Participation in reaccreditation process is voluntary and, if granted, will be for a three-year period.
