The Agency for Persons with Disabilities Office of Inspector General Seeks Accreditation

The Agency for Persons with Disabilities (APD) Office of Inspector General will be undergoing an assessment by the Commission for Florida Law Enforcement Accreditation in an effort to attain accredited status. On April 29, 2021, the APD Office of Inspector General's Investigations Section will be assessed for compliance on policies and procedures, management, operations and practices. APD's Office of Inspector General has to comply with 38 mandatory standards in order to receive accredited status. A copy of the accreditation standards is available through the Commission for Florida Law Enforcement Accreditation's website at www.flaccreditation.org. As part of the assessment, APD employees and the public are invited to offer comments to the assessment team by writing to:

Commission for Florida Law Enforcement Accreditation
P.O. Box 1489, Tallahassee, Florida 32302
Email: info@flaccreditation.org

After the assessment team completes their review of the Office of Inspector General's Investigations Section, they will report back to the full Commission for Florida Law Enforcement Accreditation, which will then decide if the APD Office of Inspector General will be granted accredited status. Participation in accreditation process is voluntary and, if granted, will be for a three-year period.
